

## Bright Shining Morning

The bright shining morning smiles over the hills  
With blushes adorning the meadows and rills.

With blushes adorning the meadows and rills.

### Chorus

**And the merry, merry, merry horn cries come, come away  
And the merry, merry, merry horn cries come, come away  
Awake from your slumbers and hail the new day  
Awake from your slumbers and hail the new day**

The fox runs before us, he seems for to fly  
And he pants to the chorus of the hunt in full cry.

### Chorus

When our day's hunt is ended, we home do retire  
And we pull off our boots by the light of the fire.  
When our day's hunt is ended, we home do retire  
And we pull off our boots by the light of the fire.

### Chorus

Come, fill up your glasses let the toast go around  
And we'll drink to all hunters, where e'er they are found.
