

Free and Easy

I'm the lad who's free and easy,
Though but a simple country clown.
And I'll do my best to please you,
For they call me Honest John.

Chorus

**So, let the world chug along as it pleases,
I'll be free and easy still.
Free and easy, free and easy,
I'll be free and easy still.**

There's a lass that I could fancy.
Oh, That she could fancy me.
Then I'd call her Lovely Nancy
Still, I'd free and easy be.

Chorus

If the lassie prove quite civil,
I would true and constant be.
If she's saucy as the devil,
Still, I'd free and easy be.

Chorus

I'm the lad who's free and easy,
Though but a simple country clown.
And I'll do my best to please you,
For they call me Honest John.
